

Electronic Funds Transfer System (EFTS) in Bahrain

The EFTS is a national fund transfer and payment system inter-connecting all commercial banks, their customers (retail and corporate), and bill originators. The service enables customers to send and receive money in BHD currency as well as making bill payments within Bahrain.

This service enables customers to use and benefit from the following types of payment services within Bahrain:

1. **FAWRI+** is a Near Real Time (NRT) transfer, customers with a Bahrain bank account with a valid IBAN will be able to make low value account to account credit fund transfers with a near real time confirmation within 30 seconds.

A customer shall be able to make multiple FAWRI+ transactions in a day, subject to a maximum daily value limit of BHD 1,000/- per account per day.

2. **FAWRI** is a Deferred Net Settlement (DNS) transfer. The EFTS shall facilitate a customer to make a FAWRI direct credit transfers from his/her bank account with valid IBAN to a beneficiary in another bank. Customer will be able to do single as well as multiple payment with FAWRI service without any transaction limit. FAWRI transactions will be processed within the defined cut-off times by the Central Bank of Bahrain. FAWRI allows customers to set up future dated payments up to 14 calendar days.
3. **FAWATEER** is an Electronic Bill Presentment & Payment (EBPP) system. This is a one stop shop and user friendly system for bill enquiries and payments. Customers can view the outstanding bills off multiple billers registered in EFTS and pay immediately in a single click.

EFTS is an amazing service to make payments faster, secure and easier.

Please note:

- a. An Inward Direct Debit payment will be processed through a signed mandate form that has to be registered under the EFTS portal through ICICI Bank or any approved Biller.
- b. EFTS only supports IBAN to IBAN transfers hence quoting IBAN correctly while initiating the transfer is important.
- c. The FAWRI+ service is available 24 hours a day, 7 days a week. The transfer instruction is irrevocable and funds will be immediately available once a notification of the authorization of a valid payment instruction is received.
- d. Customers should quote correct IBAN number of the beneficiary customer for EFTS Fund Transfer Instructions to avoid crediting the payment to a wrong account or the payment being rejected. ICICI Bank will not be liable for the any issues arising due to incorrect quoting of the IBAN by the customer.
- e. The EFTS transactions will be done against sufficient funds in the account to be used for funds.
- f. The EFTS transactions will be processed in active accounts only. All the transactions made in Inactive, dormant or frozen accounts will be rejected. Customer are requested to get in touch with the branch to process the activation of such accounts.
- g. Customer should follow safe banking tips to make fund transfers private, secure and safe. Customers should ensure computers or phones used to access EFTS via internet and mobile are protected from and free of spyware and viruses, worms, Trojan horses, or other similar harmful components which could result in information being interpreted by a third party.
- h. Customers should inform ICICI Bank in advance if there is a change in their mobile number to receive their payment confirmations.
- i. Customer should report any unauthorized and unidentified EFTS fund transfers in their account to ICICI Bank 24-hour toll free help line number 8000 4877.
